GAME JERSEYS

Available as fully sublimated or cut & sew with sublimated, embroidered or twill number and logo applications. 4 neck options available.

- **Customization** - OT Sports offers customized options to best meet your design requirements, whether you're going for a more traditional look or a unique, cutting edge design that sets you apart.
- **In-House Design & US Manufacturing** - All design and production processes are completed in one location under one roof, in our Burlington, NC factory. This enables better control of production and operations, quicker turnaround, and superior hands-on customer service and order updates coming direct from our factory.
- **Experience in Professional and Junior Hockey** - OT Sports has supplied minor pro and junior teams throughout North America with game and/or specialty jerseys for over 25 years, with a reputation of high quality products and service within the hockey industry.
- **Equipment Manager Conveniences** - We offer same day nameplate shipments for last minute roster changes and in-season trades. OT Sports ships jerseys complete with logos, numbers and names so they can go straight from the shipping box to hanging in the player's locker.
